Education

- 2012–2017 **Software Engineer (MS)**, *Universidad Del CEMA (UCEMA)*, Buenos Aires, Argentina.
- 2008–2011 **Software Engineer (MS)**, *Instituto Tecnológico De Buenos Aires (ITBA)*, Buenos Aires, Argentina.

Technical Skills

Programming **Learned and used technologies.**

- JAVA8
 - Spring Framework
 - Hibernate Framework
 - WebServices (SOAP / REST)
 - Groovy
 - Kotlin
 - Maven
 - Swing & AWT
- ANSI C
- BASH SHELL SCRIPTING
- WEB DESIGN
 - HTML5
- CSS
 - Less
 - Sass
 - Bootstrap
 - Materialize CSS
- JAVASCRIPT
 - Express JS
 - angular.io
 - TypeScript
 - jQuery
 - NPM

Interpersonal skills

- Develop professional and emotional relationship with teamwork to achieve goals quickly
- Engagement with teamwork and client

Analytical Features

Mission To meet project goals by understanding the business, researching and developing the best solution through teamwork while managing client expectations.

Otras Características

- Passion for **Development**
- Perseverance

Languages

Spanish **Mother tongue**

Native

English **Advanced**

Conversationally fluid
